### Introduction

The District Council of Loxton Waikerie (council) is committed to using the order making powers available to it under the *Local Government Act 1999* in such a way as to facilitate a safe and healthy environment, to improve the amenity of a locality, and generally for the good governance of its area.

This Order Making Policy is prepared and adopted pursuant to Section 259 of the *Local Government Act 1999* ("the Act") and sets out the steps Council will take in the making of orders.

### Scope

Section 259 of the Act requires each Council to take reasonable steps to prepare and adopt policies concerning the operation of Part 2 of Chapter 12 of the Act. Part 2 deals with the making of orders.

This policy will apply to those circumstances listed in Section 254 which states that council may order a person to do or refrain from doing a thing under certain circumstances, as specified in the table included within that Section of the Act (refer **Attachment 1**).

In accordance with the requirements of the Act, this policy also applies in respect of orders issued by council under Section 216 (power to order the owner of private road to carry out specified roadworks), Section 218 (power to require owner of adjoining land to carry out specified work) and Section 299 (vegetation clearance)<sup>1</sup>.

This policy will also apply to Section 217 (power to order owner of infrastructure on roads to carry out specified maintenance or repair work).

Local nuisances (other than those found in the Local Government Act) are also contained in the *Local Nuisance and Litter Control Act 2016*. Nuisance and littering actions that fall within the jurisdiction of the *Local Nuisance and Litter Control Act* will be dealt with in accordance with the procedures set out in that Act.

## **Guiding principles**

When considering making an order within the scope of this policy council will consider the following principles, which are considered central to the effective resolution of local nuisances on private land:

Each case for the possible use of the order making powers will be considered on its merits. Factors that Council will consider include:

- Severity of the incident
- Hazard/danger posed to the community
- Risk to health/safety of the community
- Detraction from the amenity of the locality
- Repeated occurrence of the activity/ incident (e.g. duration, previous offences)
- Impact of the any previous actions to overcome the problem
- Is the breach significant/ substantial
- Would an informal warning letter be sufficient
- Are there any public interest issues
- Whether there is sufficient evidence upon which Council may rely to exercise its order making powers
- The individual's response
- Number of complaints received in respect of the matter (if any).

In the case of vegetation clearance orders made under Section 299 of the Act, Council has adopted the following specific consideration to assist in determining what circumstances might effectively be a private dispute between neighbours.

Relevant considerations include:

- Have the parties exhausted all other reasonable steps (including civil action)?
- Does the vegetation pose an immediate and/or serious threat to health and safety?
- The apportionment of costs of complying with the order.

## **Process and procedure**

Except in the case of an emergency described below, council will take reasonable steps, within available resources, to resolve cases of local nuisance by negotiation and agreement before issuing an order.

---

<sup>1</sup> See sections 216(2), 218(2) and 299(2)  
Order Making Policy

The steps that will be taken to resolve matters informally, except in the case of an emergency described below, before making an order Council will give notice of its intention to make an order in accordance with section 255 of the Act by:

Attempting to resolve the matter informally, in the first instance, by:

- Personal approach by Council Officers, if considered appropriate
- Informal warning letter prior to commencing the formal order making process, if considered appropriate.

If these attempts are not successful, further attempts will be made, including:-

- Giving the person to whom an order is intended to be directed a notice in writing stating the:
  - proposed action
  - terms of the proposed order (i.e. what it requires the person to do or refrain from doing)
  - period within which compliance with the order will be required
  - penalties for non-compliance; and
  - reasons for the proposed action; and
- Inviting the person notified of the opportunity to give reason/s, within a specified time, why the proposed action should not be taken.

Council will proceed to make an order without negotiation or notice, in accordance with section 255(12) where council considers the circumstance or activity constitutes, or is likely to constitute:-

- a threat to life; or
- an immediate threat to public health or public safety; or
- an emergency situation.

### **Review rights**

Pursuant to section 256 any person to whom an order is issued (including an order issued under sections 254, 216 or 218 of the Act) has a right to appeal against the order. Any such appeal must be lodged within 14 days of that person's receipt of the order. The Council will ensure that reference to this right of review is included in any order issued.

### **Non-compliance with an order**

If an order is not complied with within the time fixed for compliance (or if there is an application for review, within 14 days after the determination of the review) the council may (subject to the outcome of any review) take the action required by the order.

The reasonable costs and expenses incurred by council in taking action under this section may be recovered by council as a debt from the person who failed to comply with the requirements of the order.

Where an amount is recoverable by council, council may, by notice in writing to the person, fix a period, being not less than 28 days from the date of the notice, within which the amount must be paid and, if the amount is not paid by the person within that period, the person is liable to pay interest and council may impose a charge over the land for the unpaid amount, together with interest, in accordance with section 257(5) of the Act.

Non-compliance with an order of council is an offence for which a person may incur a statutory penalty provided for in the Act. Section 258 of the Act provides for a maximum penalty of \$2,500 and an expiation fee of \$210 for failure to comply with an order issued under the Act.

Where an order is issued under Section 217, if the order is not complied with within the time specified in the order:

- Council may carry out the action required by the order and recover the cost of doing so as a debt for the owner; and
- The owner is guilty of an offence and liable to a maximum penalty not exceeding \$5000.00.

### **Responsibilities & delegations**

This policy will be enforced by authorised persons who have been appointed (in writing) by the council under Section 260 of the Act<sup>2</sup>.

### **Council endorsement of the policy**

This policy was endorsed by council on 16 September 2011. Council endorsed the policy contingent to public consultation on its draft policy. Written submissions commenting on the draft policy were invited within 28 days of a notice appearing in the local newspapers, The Loxton News and The River News, placed 13 January 2012. Submissions received were considered and taken into account in preparing this policy.

Any future amendment or alteration to the policy, or substitution of a new policy, will be subject to the public consultation provisions under section 259(2) of the Act unless the alteration has only minor significance and is likely to attract little or no community interest.

### **Review and evaluation**

The effectiveness of the policy will be reviewed and evaluated every four years.

The Chief Executive Officer will report to council on the outcome of the evaluation, and make recommendations for amendment, alteration or substitution of a new policy.

### **Availability of the Order Making Policy**

This Policy will be available for inspection at the Council Offices at Loxton or Waikerie during ordinary business hours, or may be viewed at Council's website [www.loxtonwaikerie.sa.gov.au](http://www.loxtonwaikerie.sa.gov.au).
