A. Purpose

Council, on the recommendation of the Loxton Retirement Village Committee, accepts the need to establish a policy in relation to the sale price of new.

B. Principles

In order for the sustainability of the Loxton Retirement Village the committee needs to set a margin of profitability above costs to ensure that adequate funding is available in the capital reserve for future payouts.

The sale price should reflect a market value as determined by a licensed valuer. The minimum price for any new unit will be the cost of construction plus 15%.

C. Availability

This Policy will be available for inspection at the Council Offices at Loxton or Waikerie during ordinary business hours at no charge. Copies of this Policy will also be available from Councils website: www.loxtonwaikerie.sa.gov.au or postal copies may be obtained from the Council Office free of charge.
