IMPORTANT NEWS!

Council has recently migrated to a new corporate management system. The system brings with it a host of new functionality in the way we serve the community.

As part of the migration to the new system we have changed our assessment numbering to an eight digit assessment number. For those members of the community that pay your rates electronically (via BPAY, BPOINT, Centrepay etc.) please take note of this new assessment number and use this eight digit assessment number in place of the existing 10 digit valuation number. The new assessment number is shown in three locations on the below sample rates notice.

The existing 10 digit valuation number will not be accepted from Monday 24 April 2017.
