Rate Capping Rebate Application Form

Are you Eligible for a Rate Capping Rebate?

A rebate is provided by the District Council of Loxton Waikerie to reduce the impact on ratepayers of properties whose rates have increased substantially this year due to rapid change in valuations. The intention of the rebate is to limit any rate increases due to an increase of more than 12.5% of the rates payable for the previous financial year.

Check below to see if you are eligible for Rate Capping Rebate!	Yes / No
Has the ownership of your property changed since 1 January the year prior?	
Have you made improvements worth more than $10,000 to your property since 1 January the year prior?	
Is the land use shown on this year's rates notice different to the land use shown on last year's rates notice?	
Has the valuation increased due to the maturity of plantings planted in the previous 6 years?	

If you have answered "YES" to any of the questions above, the rate capping rebate is NOT available.
If you have answered "NO" to ALL questions, continue to Section 2.
